Different models. Same longing.

The form varies. But the racing bloodlines, the undying dedication to pure sports car performance, the marriage of power and efficiency embodied in the Porsche principles, do not. And that truth is revealed in that moment you turn the key. Discover it for yourself with a test drive. Porsche. There is no substitute.

Experience every form of Porsche performance.

Well, it’s a New Year. I hope you had a great holiday season. Thanks to all who volunteered and worked so hard to make last year a very successful year. The Board of Directors, appointees and volunteers did a fantastic job. When you attend an event, take the time to thank the event chair who has given of their time and talent. That being said, I know we are still looking for many new volunteers. Please step forward and help make your club as good as it can be. Contact the Board if you have new ideas for events that you would like to host.

The last quarter of 2013, 15 events were held.

Southern California Tour – Chairs Stephen & Linda Axelson

Monthly Meetings – Susan Bookspan

Autocross – Rick Althouse and Kim Kemper

Driver’s Education – Andy Schermuly

Flight 36 Charity Event – Lyle Capstick

Willcox/Inde WINE, DRIVE, AND DINE TOUR – Cynthia Giacchetti

Holiday Party - Leslie Richardson and LaVonne Shelker

I am still thinking about how enjoyable Flight 36 was for those who attended. Our event was part of the Horses and Horsepower Polo Event at WestWorld. The club had a great turnout for the event. Approximately 82 attended the Molina-hosted reception in October. Over 100 attended the welcome party Friday night and also the Saturday night banquet and charity party. About 85 cars participated in the Concours and received a lot of spectator attention. This charity event brought the largest response I can remember in recent times. Thanks to all who attended and a really special Thank You to Lyle Capstick and his team of volunteers who made this happen.

Thanks to the outgoing Board of Directors who did such a great job for 2013:

Vice President, Hugh Starkey
Secretary, Mark Lindabury
Treasurer, Dennis Brookshire
Directors at Large:
   Richard Avellone
   Susan Bookspan
   Frank Grimmelmann
   Kim Kemper

And I would like to introduce the new Board of Directors for 2014:
Vice President, Rook Younger
Secretary, Randy Black
Treasurer, Lyle Capstick
Directors at Large:
   Frank Grimmelmann, returning
   Kim Kemper, returning
   Mark Lindabury, newly elected
   Rick Mukherjee, newly elected

Remember, it’s not just the cars, but the people who make this club great. Come out and join in the fun.

This has been a very busy fall as far as AZPCA activities go. As I write this, I notice that there are five activities planned in the next 10 days -- and four of them are on our calendar to participate in. Of course, it doesn’t always happen that way. We are all busy, and most of us have other family, work, and organization obligations. But I must admit, the more we do, the stronger and more interesting our friendships are becoming with other members. And that, in turn, makes the activities even more fun. As we turn toward 2014, be sure to look over our upcoming events on a regular basis and see what sounds interesting to you. You can go to the website, az.pca.org, check out Going Places for calendars, At-a-Glance, and event promotions, and listen to the events being promoted at our monthly meetings. Maybe you’ll find something new to try this coming year!

A record number of people, myself included, really enjoyed Flight 36 this year. The unique venue at WestWorld was quite a treat, as were the special associated events like the Molina reception and the Molina tent where we could watch the polo matches (for the first time for most of us!) and enjoy food and drink. Equally unique is the coverage of the event in this issue! The articles are the result of the Flight 36 chair, Lyle Capstick, doing an outstanding job of recruiting several writers, one for each main event associated with Flight. The writers put their own creative spin on their topics, and had some fun with it while conveying the essential experiences they had enjoyed. I hope you will enjoy their takes on the events and that it may inspire you to try something new this year, hopefully a new event AND volunteering to write about it for Going Places.

The Willcox Wine, Dine, and Drive event was also a blast. The track events spread over three days for those that wanted more DE time. Several cars drove from Chandler through Sonoita and Pearce to Willcox on Friday, stopping at two wineries where we enjoyed some snacks, some hearty gourmet food, and wine tasting. It was great to meet several new members on this drive, and we look forward to seeing them again at another event. The Inde track is really spectacular, and the event was enjoyable even to those who didn’t drive the DEs, because the parade laps and Taste of the Track gave many of us enough of the experience to satisfy or maybe push us to a future DE.

I’d like to take this opportunity to wish each and every one of you a Happy New Year!

As Ameriprise Financial Franchise
We (Jack & Loretta Aman, Rook & Debbie Younger, and Rick Mukherjee and Porsche enthusiast friend Jerry) met and had breakfast at the Black Bear Diner and got on I-10 to Quartzsite for gas and a pit stop. We were supposed to meet up with four cars from Prescott, but they left before we got there. We met up with them at the In & Out Burger in California. Then on to Pomona -- boring driving. The good driving would come later. The hotel was a short way off the freeway. The hotel is on the old Los Angeles County Fairgrounds, so the area was huge. Lots of secured parking.

There were five great mountain driving tours, including 62 miles of Mulholland Drive, then continuing up the Pacific Coast Highway through Malibu. The drives were like Alpine, but more. There were also five museum tours.

At the hotel, Griot’s had set up a washing area to clean our cars, with everything you would need to wash your car. We had a drive-in movie in one of the parking lots, with a People’s Choice car show. Lots of good food, ice cream & malts, and also a bar. The movie was Bullitt.

The Saturday night banquet was great with many guest speakers, door prizes, and good food. Enjoyed meeting old friends and new ones from other states and Canada.

Porsche brought five new cars out to be test-driven by us: Cayman S, 991 C4S, 991, Cayenne, and a Panamera. I drove three of the cars, Cayman S, 991 C4S and the 991. Best handling Porsches I have ever driven.

In front of the hotel was a 50th Anniversary Edition 911 car. (See photo below.) It was beautiful. You can have a chance to win one by entering the Porsche Club of America 2014 member-only raffle. We met one of the members who won the 2013 raffle. He had only bought 2 tickets!

When you get overwhelmed running through Jack Aman’s Concours preparation checklist or preparing your car for the competitive autocross for AZPCA’s Phoenix Flight 36, where do you turn to let your hair down, or make amends with your partner by experiencing an elegant evening together? For those who registered early for Flight 36 Concours or Show this year, Al Molina of Molina’s Jewelers provided the answer while setting the bar for all future events!

Yes, on October 10th, 120 Flight 36 registrants (yes, we cheated a bit and signed up 20 additional lucky participants) and their guests donned their evening finery and rendezvoused at Molina Jeweler’s flagship store, located at 32nd Street and Camelback in the Biltmore area. And fine they did look, from the ladies in their cocktail attire, to the men looking suave and all ready to party hearty.

Upon arrival, guests first came upon two amazing vehicles provided by Porsche North Scottsdale, with my favorite being the Cobalt blue Carrera 4 that stole the show. Yes, the only disappointment of the evening was realizing that we wouldn’t drive home together (note to self, make an appointment for a test drive in the near future). After tearing yourself away, you proceed up a walkway to be greeted

Above: Legendary racer Lyn St. James and AZPCA Board member Frank Grimmelmann

Above: Jan Mackulack, Debbie Draher, and Julie Mukherjee enjoy the libations and ambience of the evening

Above: Owner/Host Al Molina lobbies on behalf of Alma Stewart’s jewelry collection
by Meenakshi Kapur and Darlene Burns, two elegant non-club volunteers greeting guests at the door. Their contribution of time allowed everyone in the club to enjoy the evening; thank you ladies!

The next challenge was the eye candy that met everyone’s eye in the jewelry cases. While the ladies had the upper hand in this regard, both ladies and men were tempted by the exceptional quality jewelry on display. In fact, many had the opportunity to display these exceptional pieces themselves, using their finery as the backdrop highlighting natural brilliance.

And yes, we are talking several rooms, with a full bar encountered during the journey. Chef Eddie Matney of Scottsdale's Eddie's House lived up to his reputation, providing an abundance of savory appetizers to sample, with many attendees simply making this dinner, given the sumptuous samplings (not my wife Maria, of course, who went out to dinner after without me).

Above: Carrie Shermuly models a double-strand diamond necklace
Below: Another lucky PCA member shows off a gorgeous ring

The highlight of the evening, however, was having the opportunity to talk with the highly approachable, personable, legendary racing figure, Lyn St. James. Lyn is the 2nd woman to race in the Indy 500 and became the first woman to win the Indy 500 Rookie of the Year award. She also has two victories at the 24 hrs of Daytona, one win at the 12 hours of Sebring, and competed twice at the 24 hrs of Le Mans. Lyn not only donated her time to join us, but also all receipts from her book signing that evening went to this year’s charity, the 100 Club of Arizona (Doing Good while Doing Well). If you need a top caliber motivational speaker for your next event, consider Lyn St. James, and if you want an unparalleled way to kick off Flight 37, we look forward to seeing you all next year!

Our thanks to Al Molina and the Molina Jewelers family for an exceptional evening!

Flight 36 Welcome Reception

by dennis brookshire  photos by chuck brasile

Flight 36 took off with the Welcome Reception at the Scottsdale Marriott at McDowell Mountains Resort on November 1, 2013. This was a new venue for the Club after several years at the Scottsdale Millennium Resort and was selected for its proximity to WestWorld where the club was participating in the Scottsdale Polo Championship’s “Horses and Horsepower” event on Saturday.

The reception was held on the patio of the resort on a beautiful Phoenix fall evening. The temperature was perfect for all of the Porschephiles as we checked in for the weekend events, received our “goodie bags,” Steve McQueen posters, and then proceeded to the bar for our favorite adult beverage.

It was good to see so many familiar faces along with many of our good friends from the Southern Arizona Region. Everyone was engaged in the delightful banter of friends sharing with friends as we enjoyed the huge fajita bar.

As in years past, the featured charity for Flight 36 was the 100 Club and tickets for the 50/50 drawing were selling robustly especially due to the irresistible persuasion of premiere ticket seller Alma Stewart. The winner of the drawing, besides the 100 Club, was Loretta Aman, although it should be noted that she didn’t offer to buy a round of drinks for everyone.

As the night air chilled, many retired to the indoor bar to continue their stories and fun. Everyone was having a great time and anticipating Saturday’s new experience of our Concours at the Horses and Horsepower event. The Marriott was a terrific venue to kick off the start of the Club’s signature annual event and everyone had a wonderful time enjoying the camaraderie that is the Porsche Club.
Would I be willing to write about the concours part of our weekend at WestWorld and the polo matches? Of course I would, but are you sure I’m qualified to do this? I have a bottle of car wash and one of wheel cleaner in my garage. Could there be more to this? Those two things have served me quite well in the display category for the past several years. Perhaps this could be my opportunity to enter into that mysterious society of full-Concours display.

I was determined to investigate this concours thing and learn all of the secrets. I walked to the section for full-Concours. Where is everyone? As I got closer, I realized most were on the ground or on small stools. Some were on towels on their backs beside their cars. My God, all these oil leaks. What a mechanic’s dream. I remembered I had been down there on the ground beside my car once. I thought I had a flat tire!

Being a little obsessive-compulsive in my previous life, I set out to get started right away. The Friday cocktail party was just over. I’ll interview some of the members in the lounge of the hotel before going to bed. “Are you doing the full concours tomorrow?” “No, display.” “No, display.” Again and again. Where are all the full-Concours people? Oh, you say they’ve gone to bed? They’ll be up at dawn to work on their cars. How hard can this be? I’ll see them at breakfast and talk then. I awoke early and looked out my window at another beautiful Arizona sunrise, then down at my view of the underground garage. Who are all those people carrying buckets, mops, bottles, and towels? Looks more like a Molly Maids convention! Don’t people eat leisurely breakfasts any more? OK, too late for my a.m. interview. I’ll catch them all at WestWorld.

Time to learn more about what they’re using to clean with. Obviously they had more things to work with than I was accustomed to. I peered into the trunks of the cars: bottles, microfiber cloths, q-tips, tape, lint rollers, and dusters. Danny’s Car Wash doesn’t have this much stuff. What about room for clothes? Will they all be wearing the same stuff all weekend? Hope they’re not at my table tonight! Turns out everyone has a favorite product for that final shine. Seems Griot’s Garage Speed Shine was there by the bucket load. Love to have that distributorship!

Now it was time to watch more of the process of turning a frog into a prince. A kiss would have been a lot simpler. It’s down on the ground for the last minute cleaning before the judges arrive. Of course, every time a car passed, it raised a cloud of dust. Out came the dust mops, more Speed Shine. “Get the tape, I think that’s a piece of lint on my cabriolet top.” Check the wheel wells. Clean the door pockets.
The juxtaposition of Horses and Horsepower made this event truly unique in the history of AZPCA Flights.

I stopped for a while to watch a handsome couple cleaning a beautiful black 356 with twin chrome exhaust tips. They had an index finger wrapped in a towel and shoveled up the tailpipe of this beauty, working that finger back and forth. I need to thank them; right then and there, it reminded me, and I made a mental note to schedule my colonoscopy.

Well, the time has come for the judging to start. First, let me thank all who judge. Probably in it for the money and fame. I think I overheard someone say, “Judge not lest ye be judged,” but could have just been the wind. Now it’s time for the judging. Owners hover around their cars as judges arrive carrying their score sheets, and wearing white gloves. I watched in horror as they stuck their fingers in places I had never stuck my finger on my own car. Suddenly they would jump up holding a finger in the air with a smudge of dirt. Oh how excited they get when they find a tiny piece of lint. It’s like an “Aha!” moment. Oh, look what you missed. The owners, crushed, as some husband and wife teams look at one another with that “that-was-your-side, I-can’t-believe-you-missed-that!” look. Finally, the judging is over and everyone breathes a sigh of relief. Time for the Molina tent!

Thanks, Lyle, for the chance to learn more about the full-Concours event. Let me congratulate all of you who participated in any aspect of the competition. I have a new-found respect for the work that goes into competing and it was a true pleasure to see the beautiful results of all your hard work.

The Flight 36 Awards Banquet, held on the evening of Saturday Nov. 2nd in the Ballroom of the Scottsdale Marriott at McDowell Mountains, was a fitting culmination to a whirlwind 24-hour period for the AZPCA. Following the informal kickoff dinner Friday night on the hotel’s patio, Saturday brought the Concours and display event in conjunction with the Horses and Horsepower Polo matches at WestWorld. It was a beautiful, warm fall day and all club participants and thousands of attendees from the general public spent hours ogling the hundreds of sleek bodies, curvaceous lines, gleaming headlights and precious metal bright-work on display around the perimeter of the polo field. In addition, there were many fantastic Porsches and incredible horses to admire...

The program of polished Porsches, prancing polo ponies and preening pedestrians, and partaking in the plethora of palatable provisions inside the posh Molina Jewelry polo hospitality tent was a pleasurable but exhausting process. By Saturday evening 120 club members, spouses and guests were ready to relax and celebrate. The Awards Banquet started with opening remarks from Club President Dwane Stewart. Next came introductory comments from Lyle Capstick, the Chairman of Flight 36, whose passionate stewardship and planning over the past several months made the entire event possible. Lyle began by acknowledging the many contributions of his team: Dale Willis – banquet Master of Ceremonies; Leslie Richardson and LaVonne Shelker - location selection and banquet arrangements; Alma Stewart - decorations; Charles Brasile – photography; Ken Steele – concours car placement; Jack Aman and his team – judging; Mike Pyska - scoring tabulations; and Joanne Capstick - silent auction. The Club thanks all of you! Lyle also welcomed Tom Brown, the California-based PCA Zone 8 Representative who was in attendance.

The sponsors of Flight 36 were recognized next. Porsche North Scottsdale was the Premier Sponsor. Other Sponsors were: Airpark Collision Center, Brighton Motorsports, Mulvain Motors, Patrick Motorsports, and Protective Film Solutions. The AZPCA thanks to each of you for your support of our Porsche passion.

Flight 36’s fundraising mission was to benefit the 100 Club of Arizona, a charity which provides immediate financial support to families of law enforcement officers and firefighters who are killed or seriously injured in
the line of duty. Since its inception in 1965, the 100 Club of Arizona has provided more than $6.6 million to more than 1200 officers, firefighters, and their families. In 2012 alone over $900,000 was provided to nearly 200 recipients.

Representing the 100 Club at the banquet was Laura Contreras, Community Relations Officer, and her husband Al, who retired after 32 years as an officer in the Phoenix Police Department, including 28 years as a motorcycle patrolman. Al’s duty bike was a Kawasaki KZ1000P Police Motorcycle with 103 HP and a top speed of approximately 140 mph. He confided to your author that he gave many tickets over the years to speeding Porsches, Ferraris and Lamborghinis, but he never once needed to approach the bike’s top rated speed because the bike effortlessly overtook disobedient sports cars. Now Al pilots a similar bike, painted in 100 Club logos and the colors of the Arizona State Flag, all over the state, delivering benefit checks to recipients. The AZPCA is grateful to Al for his many years of service to our city, and appreciates all of Laura’s and Al’s good deeds now as they help those who have sacrificed much for our community.

The Awards Ceremony began following a delicious banquet dinner. Best of Show category winners were: Concours - James Patrick III for his 1996 Blue Purple 993; Unrestored - Jim Borowske for his 1983 Sienna Red 944 (which he purchased new 30 years ago!); Street - Jack Aman for his 1981 Rosewood 911 SC; Special Category - Richard & Leslie Kepner for their 1987 Silver 959; Ubergang - James & Kathleen Kendler for their 2002 Silver Boxster S; Wash and Shine - Raymond Ramirez for his 2011 Cobalt Blue Carrera GTS; and Display - Armand Doche for his 1989 Black 930 Turbo.

Two club members deserve special recognition for winning 1st place class awards with multiple cars. Dave Fisher won in Street-9 for his 1985 928 and in Unrestored-6 for his 1996 993 Targa. James Patrick III won in Concours-7 for his 1996 993, and in Special Category 1 and 2 with three of his other Porsches – a 1978 911 RSR TT, a 1970 914-6 GT2 and a 1970 914-6 GT (2nd place).

Throughout the evening there was spirited bidding on three dozen silent auction items including; jewelry, Porsche-logoed accessories, gift cards, sporting event tickets, and golf and vacation packages. Many thanks from the AZPCA and the 100 Club of Arizona to all the donors of these items, the club members who procured them, and the winners of the silent auctions!

The winning raffle ticket for the Grand Prize was drawn next. Dave Fisher won the Passport MAX radar detector. Dave’s clearly got very good karma with the Car Gods from Zuffenhausen because when you own three Porsches, have a lead right foot, and share the road with law enforcement officers on Kawasaki crotch rockets, you can never have too many radar detectors!

As the fun evening came to a close there was a resounding show of hands from the audience indicating that the Horses and Horsepower Polo event was the ideal venue for holding Flight 36. Thus the gears are already turning for Flight 37, to be held in November 2014.

In conclusion, Flight 36 reaffirmed what we already know: Porsches are fantastic cars but what really makes the AZPCA great is the people! Until our next adventure remember to keep the shiny side up and never lift...

Early Sunday morning on November 3, Porsche enthusiasts and invited guests began arriving at the Bob Bondurant School of High Performance Driving Road Course for the Flight 36 Autocross. 45 registered entrants participated in an exciting and challenging course that allowed for higher speeds than normally seen on the parking lot courses. After the driver’s meeting, we heard from David Witteried, the Zone 8 Autocross chair, and Tom Brown, our Zone 8 Representative. Weather was perfect with cooler temps, full sun, and a light breeze.

Top Time of Day went to Steve Eymann after Brian Peters nicked a cone near the end of his blistering last run. TTOD for Women went to Alexandra Zust, and TTOD Street Tire went to Fred Tervet. Thanks to everyone for coming out and supporting our event!

November 2013 MEETING MINUTES

by mark lindabury

WELCOME
The monthly meeting was held at Porsche North Scottsdale. President Stewart was absent so Treasurer Dennis Brookshire facilitated the meeting. Dennis welcomed everyone to the meeting and thanked manager Dave Zoloto for hosting tonight’s meeting.

Treasurer Brookshire commenced the meeting at 6:05 and reviewed the sponsors. He encouraged everyone to use their services. Dennis then stated that we currently have 410 Arizona Regional members and about 800 National members.

Dennis then introduced dealership manager Dave Zoloto to the attending members.

Dave Zoloto took the mic and thanked everyone for coming and for the Club members’ support of the Dealership. He said that he is excited about the new products that Porsche has come out with. He said that the Cayenne is a leader in sales along with the Panamera which has been redesigned for 2014. He talked about the new Panamera Hybrid that is greatly improved form the previous model, with a new improved battery and greater performance. There has been a great response to the Cayman since the redesign and resemblance to the Carrera GT. The new 911 will always be the flagship of the brand and the 991 has been very well received. Porsche had recently come out with a new GT3, and the Turbo and Turbo S will be out shortly.

GUESTS
Peter Volny

ATTENDEES
The meeting at Porsche North Scottsdale always brings in many members and since this meeting including voting for the 2014 Board members, attendance was very large. There were over 100 attendees. I have opted not to post everyone who attended to save print space.

ELECTION
Past President and Nominating Chair Mark Dreher announced the candidates for the 2014 Board. The candidates for the 2014 Board were: President – Dennis Brookshire, Vice President – Rook Younger, Treasurer – Lyle Capstick, Secretary – Randy Black and Board Directors at Large – Mark Lindabury, Rick Mukherjee, Frank Grimmelmann and Kim Kemper.

Mark then handed out the ballots for those who had not submitted their choices by mail to Secretary Mark Lindabury. The list of candidates and ballots were printed in the last issue of Going Places. Mark Dreher told the members that he had been asked to announce that Dwane Stewart would entertain a write-in vote for President. The meeting continued while the members filled out their ballots and they were collected. Mark Dreher and Chas Wirken took the ballots in a private office to count them and tally the vote. A witness was present.

REPORTS
TREASURER – Dennis Brookshire, Treasurer, reported that the club is doing well with about $105,000 in assets of which $75,000 is in a Legacy account reserve. GOING PLACES – Denise Brasile, Going Places Editor thanked everyone who has sent in articles and high resolution photos of the events they attend, and encouraged them to continue. Denise also mentioned that the tour chairs should designate a writer for an article and to make sure plenty of pictures are taken and submitted for future content in the magazine.
