Born to compete.  
Even with ourselves.

The form varies. But the racing bloodlines, the undying dedication to pure sports car performance, the marriage of power and efficiency embodied in the Porsche principles, do not. And that truth is revealed in that moment you turn the key. Discover it for yourself with a test drive. Porsche. There is no substitute.

Experience every form of Porsche performance.

May is already here and we are quickly moving into the warmer months.

If you are one of our year round residents you know the warm temperatures do not slow down our club activities. Porsches and Pancakes, Sunday Drives, Diamondback and Cubs game, Alpine and Durango Tours just to name a few. Be sure and check the AZPCA website calendar of events for the most up to date information. You will also find event details and a link to either RSVP or sign up for those events.

This month the Board of Directors selects a nominating committee for our 2018 Club Officer elections, which occurs in November. More information will come on who will comprise the nominating committee later in May. I would encourage each of you to step up and put your name forward to fill one of the Club Officer positions. All positions are open for 2018, President, Vice President, Secretary, Treasurer and four Directors at Large. Beginning in January 2018, all positions are for a two year term.

Have you taken the opportunity to look at the photo and classified sections on the AZPCA website? Kevin Gilchrist, our Webmaster, has done a superb job setting up those enhancements to our website. If you have photos you would like displayed in the AZPCA photo archive contact one of the photo moderators found at the bottom of the azpcaphotos.com home page.

Does anything sell on the classifieds? Yes it does, a member of the San Diego Region purchased an item I had listed. So, put your items in the classifieds, they are getting a lot of exposure. Send your classifieds request to classifieds@azpca.org

That is all for this month, hope to see you at an AZPCA event.

Alpine Tour XVII
June 9 – 11, 2017

The Seventeenth (!) Annual AZPCA Alpine Tour to the White Mountains is June 9-10-11. The Tal-Wi-Wi Lodge is our destination in Alpine, Arizona. Make your room reservations by calling the lodge directly: 928-339-4319. Tell them you are with the Porsche Club-Arizona Region. You will need a room for June 9-10.

Our itinerary is different from past Alpine Tours:

Friday, we will drive up the Beeline Hwy to Payson, then head east on AZ-260 toward Show Low and Pinetop. Before reaching Eager/Springerville we’ll take the beautiful, fun route by Sunrise Park Ski area and Big Lake, to Alpine.

Saturday, we will take the spectacular drive south on highway 191 to Morenci and Clifton, looping back to Alpine via Highway 180 in New Mexico, another great driving experience for your Porsche.

Bring your favorite hors d’oeuvres to share with your PCA friends at our social gatherings on Friday and Saturday.

The Tal-Wi-Wi frequently sells out, as it has for this popular weekend event in the past.

Details for this event are on the event page on the club website, az.pca.org.

Be sure to RSVP using the link on the event page, and make your reservations soon at the Tal-Wi-Wi Lodge.
It’s almost summer in the desert! By now most of the snowbirds have left us. The nice thing is we still have lots of year round members and plenty of activities planned during the summer months.

Mark and I are already signed up for the Rocky Mountain High Way trip in June and Durango trip in August. We have a wonderful dog sitter to take care of “Stella”, so we can go off and have some fun!

Well, Mark came back early from PCA’s Treffen Hill Country with not one picture! During the drive out to Texas they encountered a wind storm. Mark had rock damage to his windshield and had it repaired (plugged) the next day. Unfortunately, during the following day’s drive a truck threw a very large rock (Mark said it was a boulder!) and cracked the windshield about the size of a softball. The weather forecast in Austin for Saturday and Sunday was rain, so the boys decided to head home two days early. The way his luck was going, he didn’t want to risk it. Not sure if he will be writing me an article!

I want to acknowledge some of our loyal, long-time members celebrating AZPCA anniversaries this month:

- **42 Years**
  - Paul Fairchild and Melinda Kornblum

- **32 Years**
  - Brian Preblich and Holly Trewhitt

The winner of the Writer’s Drawing for the April issue of *Going Places* is Alma Stewart for “Zone 8 Awards Banquet On Board the Queen Mary”. The Board is currently reviewing a suitable award in lieu of dinner at a future monthly membership meeting.

I hope you enjoy this month’s issue of *Going Places*. Your feedback and comments are always welcome. Just drop me an email at gpeditor@az.pca.org

Come out and have some fun.

Angela

DURANGO TRIP

August 20 - 23, 2017

News flash – August is hot in the Valley of the Sun! Let’s get outta town and head for the mountains – the Rocky Mountains, that is!

The beautiful region around Durango offers lots to do, including one of the most beautiful drives you will ever experience, in the San Juan Mountains in Southern Colorado. If you have not ridden the narrow gauge railway from Durango to Silverton, it is a must-do. Or tour Mesa Verde National Park, the largest archaeological preserve in the U.S., featuring the largest cliff dwelling in North America. There are lots of other things to do in Durango, so whatever your pleasure, you will be able to enjoy it on this trip. Our headquarter’s hotel is the DoubleTree by Hilton Hotel Durango, where they have extended a special group rate to our club. Located on the Animas river, the DoubleTree is within walking distance of the Durango & Silverton Railway Station and all the restaurants, shops, and historic charm to be found in downtown Durango.

SUNDAY

Drive to Durango
Social gathering at the DoubleTree

MONDAY

Durango-Silverton RR -or- Mesa Verde National Park -or- explore the the many attractions and activities in and around Durango
Social gathering at DoubleTree

TUESDAY

Spectacular Drive over “Million Dollar Highway”
Lunch in Telluride
Social gathering at DoubleTree

WEDNESDAY

Return to the Valley

Sign up for this trip by going to the **AZ.PCA.ORG** website and using the link on the Event page using the link on the, which will take you to MotorsportReg.

Make your reservations at the DoubleTree Hotel Durango by July 26th. You will need a room for August 20-21-22 (checkout on Aug. 23). Use PCG for the group code, but check AAA, Senior, and other rates, as these rates may save you a few dollars more than our group rate. Our group rates start at $194/night + taxes & fees for a room with city view; $204 for a river view room.

If you prefer to make your room reservations by phone you may call 970-259-6580. Tell them you are with the Porsche Club, but again, ask about the AAA, Senior, or other rates if you qualify; one of those may get you a better rate.

If you wish to ride the Durango & Silverton Narrow Gauge Railroad to Silverton make your reservations early: http://www.durangotrain.com/. Make your train reservation for Monday, August 21st. I recommend the train/bus itinerary, but you can take the train both ways; that is up to you!

If you have questions, please contact Rook Younger at pastpresident@az.pca.org

   September 1995

2. What Porsche(s) do you have?
   We own: 1996 911 Targa and 1988 944 Turbo track car

5. Work background or trade?
   41 years in high tech as an electronics engineer and manager.

9. Favorite memory with a car?
   All the great times on the road and at parties with our PCA friends.

10. Why did you buy your Porsche?
    Mid-life reward from the spouse...

12. Top 3 cars you would own?
    Porsche, Lotus not sure about number 3… so many to choose from.

Some brief past history:

Debbie and I have been members for over 20 years in the Oregon Region. I am past president and former member of the nominating committee and Debbie and I shared the duties of DE and Autocross chair. We also were Membership chair, Goody Store chairs and established the predecessor of the Oregon Region’s premier tour about 18 years ago. We have been very active in club management for about 18 years of our membership. We want to back down a bit on that and just be members for a while.

We enjoyed meeting the members at the last dinner meeting and will be seen at some of the upcoming tours and food events. I will also be attending the DE’s (with my Lotus and have volunteered to instruct) and maybe a few auto crosses. Unfortunately, our 911 is up north so we will probably be driving our BMW to the social and tour events until we relocate the 911 south next fall.
Social Media “Insights”
Confessions of a Geek
by Jan Mackulak, Social Media Chair

What are Insights or Analytics when discussing Social Media? It’s data that I look at after I make a post on a Social Media page/app. If I post things and no one looks at my posts, then why bother. I want to know what people like to see. I can get almost instantaneous feedback too, and actually compare one type of post to another.

Many Social Media apps actually have a separate app just for businesses to make it easier to post things on their page and to help them analyze results of their posts. Remember, I am an engineer geek who likes data (we call it metrics), not a business/marketing major, although sometimes I wish I had an MBA too!

Here are some basic definitions/things I look at:

*Post Types – text but usually includes a Video, Photo, Link, or Shared Video

*Post Reach - the number of people your posts were viewed by

*Page Likes/Reactions – Basically I’m looking at who and how many “Thumbs Up” or “Wows” I get from people – the more the better!

*Page Follow – better than a “Like” – it means people will see your posts show up in their running “newsfeed” depending on what app they are using.

*Post Comments – I also love comments, the more the better, good or bad. Hopefully, mostly good and usually I even get a question. It’s all called “engagement”.

*Post Shares – these make my day…if I get a person that really likes my post, they “share” it on their page or to someone else’s page.

*Organic vs Paid Reach – Organic reach refers to how many people we “reach” from our AZPCA page without “paying” for the post (ad) to be displayed to a target audience. We don’t pay for our posts – we don’t need to because we have YOU!
A cloudy day greeted over thirty Porsches and their passengers at the Coffee Plantation on Sunday, March 5th. After greeting new and old friends, the drivers’ meeting was held. The plan was to drive on the east side of highway 101 and connect to Pima. This allowed the group to connect to Dynamite and descend the eleven mile hill famous to local cyclists.

The group of Porsches arrived at one of the best parts of the drive following rolling hills and twisty curves through Rio Verde to Fountain Hills. Connecting with the Bush Highway, with dramatic back-drops of the mountains as we passed through the Verde River valley.

The group gathered to have a rest break at Water Users Park. After many pictures and more conversions regarding the multitude of Porsches present, the sun came out and the sunroofs and convertible tops came down to enjoy another premium winter day in Arizona.

Following our rest break, more two lane twisty roads awaited the club as we made our way to Apache Junction and lunch at Minings Camp Restaurant.

The club then filled up the room reserved for us, a delicious selection of ham, barbecue pork ribs and all of the extras were promptly served.

Many members lingered and discussed the beauty of the drive and the pleasure to be exercising our Porsches on such a well planned route.

First timers, exalted at the raw beauty of another Arizona hidden gem as the Verde River valley, eager to sign up for the next Sunday drive.
Cynthia Giacchetti organized another sold out Date Night event at the Arizona Culinary Institute on February 9th. Be sure to make your reservations early next year to avoid being on the waiting list and missing out a wonderful social event!

Hey Autocrossers,

Here are the results from the Saturday, February 25th event. The chart on this page is all of your raw times for the day with the number of cones hit during the run. Add 2 seconds for each cone to get your actual time. The chart on the next page is the TOP TIME OF THE DAY. Congratulations to Dale McKeeman for getting it again with a really nice clean run!

The weather was about perfect with a cold early morning that warmed to cool for the rest of the day. We enjoyed good food with the arrival of Pat, The Hot Dog Lady. The convenience of having lunch on site was much appreciated.

Thanks to Kim and David Fisher for setting up the course on Friday, and to everyone that helped us set up, take down, and put away all of the equipment and cones. Also Jim B. and the AMP crew who are always helpful and supportive!

We look forward to doing it all over again in March and April! Same time, same location.

Rick and Kim

Sixty Porsche lovers gathered at Tavern Americana for Porsches and Pancakes on Saturday, March 11th. The beautiful weather made it possible to enjoy both the patio and indoor seating! The food and friendly service was really excellent. Everyone appeared to be engaged in conversation and enjoying themselves. This is so important because we want guests and new members to feel welcome. If you weren't able to join us this month, mark your calendars for Porsche and Pancakes on May 6th and June 3rd. Hope to see you then!
WE COME TO YOU!

MEETING PLACE:
Haus Murphy’s, 5739 W. Glendale Ave., Glendale, AZ 85301

ATTENDEES:

The Meeting was called to order:
Bryce Brown – Our President opened the meeting at 7.05 PM.
Thanks to Penny Solem for arranging this month’s meeting! Thanks were also extended to Haus Murphy’s for hosting the meeting.

Vacant Volunteer positions:
Our meeting started off with a review of all the events we enjoy as club members and the volunteers needed to staff them. Our immediate need is for a Monthly Meeting Coordinator.

*Social Committee Chair
*Monthly Meeting Coordinator
For the past six months we have been trying to fill this position without anyone stepping forward. So the result now is that April is the last scheduled monthly meeting until Oktoberfest unless someone fills the role. The position is well organized and requires a commitment of several hours a month. It could easily be split between two or more people.

Sponsors
Please let sponsors know you are a member of the Arizona Porsche club, and that you appreciate their support.
Suggestions for potential sponsors are strongly encouraged! Contact Bob Tomlin, Sponsorship Chair: sponsorships@az.pca.org

Our Newest Sponsor is Robert Hommel and he was introduced. His firm is Scottsdale Injury and Insurance Lawyers and their Sponsorship is a Silver level.

Guests were brought to the meeting by Camille Miles and Paul Miller. The guests were Mr & Mrs Gary Levison from Mexico, Colorado.

GOING PLACES Editor:
*March issue was mailed on 2/27.
*April issue sent to printer 3/1.
*Deadline for May issue is 3/15.
Writer’s Drawing Winner for March:
David Schneider for “Porsche Experience Center Christmas 2016”

Future Events:
March 5 – Sunday Drive to the Mining Camp
